Graduate Degrees

Savannah College of Art and Design, Savannah, Georgia (coursework September 1995 to May 1997).

Masters of Fine Arts in Historic Preservation (Degree awarded November 2001)

Thesis: *Documentation of the Architecture of Samuel Lapham and the Firm of Simons & Lapham.*

Committee: Marlborough Packard, Dr. Robin Williams, John Mitchell.

Vernacular Architecture	American Architectural History	Material Culture
Urban & Rural Preservation	Restoration	Building Assessments
Photographic Documentation	Rehabilitation	Preservation Law
		Preservation Technology

State University of West Georgia, Carrollton, Georgia (January 2003 to December 2009).

Certificate in Public History (December 2009)

Oral History	History of Georgia	Historiography
Early American Republic	Jacksonian America	Civil War & Reconstruction
U.S. Foreign Policy 1945-1963	Tudor-Stuart England	Planning Theory
Computer Cartography	Internship	Geographic Information Systems
Introduction to Public History	Introduction to Archives	Research in State & Local History
	Cultural Resource Management	

Undergraduate Degrees

College of Charleston, Charleston, South Carolina (August 1987 to May 1992, extra work various times though December 1995).

Bachelors of Science in Anthropology (1992) Bachelors of Art in Studio Art (1992)

Minor in Music (1992) Minor in History (1995)

Focused coursework in Arts (non-profit) Management

Academic Work In Progress

Georgia State University, Atlanta, Georgia (August 2004 to December 2006)

Ph.D. in History coursework., Masters of Arts in Archaeology coursework

Introduction to Historical Research/Historiography	East Asian Seminar
History of Landscapes and Gardens	Southern Cities
Issues and Interpretation in American History	Age of Expansion (1815-1848)
Colonial & Revolutionary America	Archaeology Methods
Archaeology Theory	Southeastern Archaeology
Public Archaeology	Grant and Proposal Writing

Additional Training and Certifications

FEMA Emergency Management Institute, Independent Study courses, Emmitsburg, Maryland (November 2008 to Present).

Approximately a dozen Independent Study courses to date including IS-253 (Coordinating Environmental and Historic Preservation Compliance) and IS-650 (Building Partnerships with Tribal Governments), and several construction related courses and one contact class completed.

Pertinent Work Experience

Architectural Historian (on-call), *AMEC*, Knoxville, Tennessee (April 2012 to Present)

- On-call work as needed for projects in the U.S. Southeast where engineers and other departments need assistance in assessing, recording, and mitigating cultural resources, particularly architectural and historical.

Senior Archaeology Field Technician (temporary), *Gray & Pape, Inc.*, Cincinnati, Ohio (October 2012 to November 2012)

- Phase I survey of eastern extension of U.S. Highway 50 By-Pass, North Vernon, Jennings, Indiana.

Archaeology Field Technician (temporary), *The Mannik & Smith Group, Inc.*, Maumee, Ohio (October 2012)

- Phase I survey of 82 acres for La-Z-Boy Headquarters, Monroe, Michigan.

Archaeology Field Technician (temporary), *Michael Baker Jr. Incorporated*, Pittsburg, Pennsylvania (August 2012)

- Tennessee Highway 30 widening and relocation, Dayton, Rhea County, Tennessee, Phase I.

Archaeology Field Technician (temporary), *Blanton and Associates*, Austin Texas (March 2012)

- ATEX Express pipeline phase I field survey, Indiana Crew.

Adjunct Faculty, History Department, *Middle Tennessee State University*, Murfreesboro, Tennessee (August 2010 to May 2011)

- Classes Taught: History 2010: United States to 1877

Historian – Researcher – Owner, *Blevins Historical Research*, Villa Rica, Georgia (1997 to Present)

- Performed architectural, sites, and roads research, preservation planning, survey, building assessments, for historic value and document significance occasionally working with other companies
- Promoted effective town planning (ex. creating parking surveys to demonstrate lack of need for more parking, design to rehabilitate existing street parking for better public use).
- Preservation consultant on NRHP nominations, historic preservation ordinances, and historical significance of sites and structures.
- Provided technical assistance and guidance on preservation technology and procedures in particular to Villa Rica in establishing a historic preservation committee, a plaque program, and survey of the city's historic structures on a *pro bono* basis.
- Genealogical research and lineage papers
- Presently not active due to the economy 2008 to Present with no contracts.

Enumerator, *United States Department of Commerce, Census Bureau*, Douglasville, Georgia (April 2010 to July 2010)

- Responsible for locating and recording data for the 2010 Census from non-responding residences in the Villa Rica and Fairburn, Georgia area.
- Recording historic data from participants on their household and nearby vacant housing units
- Organize searches for addresses, planning of routes, and maintaining records of searches, answers, and individual time management.

Architectural Historian II, *NISTAC* via *URS*, Gaithersburg, Maryland (November 2008 to May 2009)

- Assigned as Historic Preservation Specialist to FEMA-1791-DR-TX in Galveston, Texas.
- Evaluated historic resources in a hurricane disaster zone for Section 106 compliance including historical research of local resources, correspondence to SHPO, and technical assistance for FEMA funding applications.
- Assisted with archaeology surface survey, research on Texas ATLAS for archaeological resources
- Training in EMIS and FEMA Independent Study courses.

Archaeologist Crew Chief, *URS*, Gaithersburg, Maryland (September 2008 to November 2008)

- Assigned to the Gulf Coast of Mississippi for Mississippi Development Authority Grant programs.
- Oversaw field crews in selection of properties and scope of work for each property based on site assessments.
- Excavated shovel tests and determined need for radial tests on properties and completed report paperwork based on unit findings.
- Complete mapping of property with notes on shovel tests, structures, photography locations.
- National Register determination for further study in Phase II recommendation
- Utilization of GPS recording on Trimble with ArcPad for shovel tests, structures, and photographs

Senior Archaeologist Field Technician, *URS*, Gaithersburg, Maryland (September 2008)

- Assigned to the Gulf Coast of Mississippi for Mississippi Development Authority Grant programs.
- Excavated shovel tests on properties for Section 106 compliance.
- GPS recording of shovel tests, photograph sites, and standing structures using Trimble with ArcPad.
- Photography of standing structures and archaeological test units.
- Scale site maps of investigated property.

Archaeologist Field Technician (temporary), *Edwards-Pittman Environmental*, Smyrna, Georgia (November 2007 to March 2008)

- Phase III data recovery excavation, documentation, and lab work
- Phase I survey crew, plotting transects, delineating sites, photography, field book and photography logs

Architectural Historian III, *Fluor/TRS Staffing Solutions*, Aliso Viego, California (August 2007 to Present on-call list)

- Assigned Historic Preservation Specialist, FEMA-DR-1603, New Orleans, Louisiana Transitional Recovery Office (August 2007-September 2007, end of assignment)
- Performed historical research, Section 106 Evaluation, project database data entry, NEMIS.
- Primary project New Orleans Parish School evaluations.

Graduate Assistant, *Political Heritage Collection, Department of History, State University of West Georgia*, Carrollton, Georgia (January 2007 to May 2007)

- Created a new web site for the Georgia Political Heritage Project including about 50 individual webpages for biographies of the politicians in the collection.

Instructor, *Georgia Highlands College*, Rome Georgia (August 2005 to December 2006, on call list)

- Classes Taught:

HIST 1000 Georgia History	HIST 2111 U.S. History to 1865
HIST 2112 U.S. History Since 1865	FCST 1010 Freshman College Experience

Stage Manager – Production Manager – Stagehand, Self Employed, Charleston, South Carolina, Knoxville, Tennessee, and Villa Rica, Georgia (1988 to 2006)

- Work various types of events from special events to concerts at various capacities ranging from labor to planning to management.
- Operated spotlight, set up lighting, stage equipment, sound equipment, operate fly rail
- Lighting designer and set builder
- Production and Stage manager for various productions notably the Charleston Symphony Orchestra
- Worked for over 30 venues in five states and organizations with high repeat business

Historian – Associate Transportation Planner, *Georgia Department of Transportation*, Atlanta, Georgia (July 2000 to January 2001)

- Performed Section 106 reviews for transportation projects including photography, meeting with SHPO and FHWA officials for discussion and mediation.
- Wrote notification letters for projects, survey reports, assessment of effects, and other reports pertaining to transportation projects.
- Researched buildings, structures, and roads for historic value.
- Occasional archaeological field survey with archaeology division.
- Oversaw consulted out project reports, assessments, and mitigation.

Historic Preservation Planner & Housing Specialist, *East Tennessee Development District*, Knoxville, Tennessee (April 1999 to May 2000).

- Provided technical assistance and guidance on preservation technology and procedures for the 16 county area surrounding Knoxville, Tennessee on National Register nominations, Section 106 reviews, tax credits, preservation law, and other preservation issues and projects.
- Reviewed Tennessee Department of Transportation projects based upon substantive analysis and provides written comments regarding the project's effects on historic and architectural resources
- Wrote grants for Historic Preservation, Community Development Block Grants, and Housing grants.

Visiting Instructor, *Historic Preservation Department, College of Charleston*, Charleston, South Carolina (March 1998 to May 1998).

- Taught a mini course in measured drawings to students in the Introduction to Historic Preservation and Vernacular Architecture class.
- Taught HABS documentation and Section 106 mitigation.
- Completed a HABS level drawing of a McLeod Plantation slave house on file at the Historic Charleston Foundation.

Architectural Conservator, *Liollio Architecture*, Charleston, South Carolina (November 1997 to February 1998).

- Collected and assembling information for historical narratives.
- Performed a condition assessment of structures, developed existing and new building details.
- Meet with representatives of the preservation communities to define the preservation approaches for historic structures.
- Accomplished finding documentation for rear portion of the building that allowed this façade to be restored to its original condition.
- Retained as a consultant on the Old Beaufort College Project.

Tour Guide, *Bonnie Blue Walking Tours* (1995), *Original Charleston Walks* (1996), *Carolina Polo & Carriage Company*, Charleston, South Carolina (August 1997 to October 1997), *Hamilton Turner House*, Savannah (1996).

- Trained in giving tours of the Charleston Historic District and in Savannah, Georgia.
- Walking and carriage tours on history and architecture.

Internship, *Historic Charleston Foundation*, Charleston, South Carolina (June 1996 to September 1996)

- Measured and drew several historical properties including a section 106 compliance requirement.

Field Technician, *Brockington and Associates*, Mount Pleasant, South Carolina (June 1995 to September 1995)

- Performed various field duties during survey, testing, and excavation.
- Performed lab work cleaning artifacts.

Student Supervisor/Assistant, *Sociology/Anthropology Department, College of Charleston*, Charleston, South Carolina April 1991 to June 1991).

- Assisted the professor with setting up the site for archaeological field school.
- Student supervision, field recording, measurement, and excavation.
- Performed relevant background archival and library research.

Selected Preservation Projects

Most Recent and In-Progress:

Volunteer Documentary Photographer and contributor (almost 50 cemeteries of various sizes), Cemetery Surveys Inc. (<http://cemeterysurveysinc.com>), Murphy, North Carolina (2006 to Present).

Census Indexer, 1940 US Census Community Project, FamilySearch.org (May 2012 to Present)

2012

Architectural Historian, Scottdale Mill Sanitary Sewer Upgrade, Scottdale Mill, DeKalb County, Georgia (AMEC, May-June 2012)

Consultant, Recommendations for Restoration of the Carroll County Confederate Monument and the Missing Cannonballs

2011

Consultant, Grave Desecration Investigation, Plant Wansley, Georgia Power Company, near Lowell, Georgia (2011)

Poster Display, "Simons & Lapham: Charleston Architects," Addlestone Library, College of Charleston, Charleston, South Carolina (1-31 October 2011, extended into December 2011)

Research, writing, and production, revision to "History of the Confederate Monument, Carrollton, Georgia," Carrollton, Georgia (2011)

2010

Researching, replacing and restoring veterans' headstones, Hollywood Cemetery, Tallapoosa, Georgia (2010)

Research, writing, and production, "History of the Confederate Monument, Carrollton, Georgia," Carrollton, Georgia (2010)

2009

Revising South Carrollton/Intown Historic District Tour literature, Carrollton, Georgia (2009)

Preparing recommendations for expansion and treatment of the Carrollton, Georgia historic districts (2009).

Local research on Villa Rica, Georgia History (2002-2009) often published in *The Villa Rican* newspaper and including local write up for Georgia Trust for Historic Preservation Carroll County Ramble (2005).

2008-2009

FEMA-1791-DR-TX Hurricane Ike Recovery, Galveston, Texas

2008

Documentation standing Old Clinic/Old Library and archaeological survey of site after demolition of structure, Villa Rica, Georgia.

Continued Consultation of Villa Rica with building survey and new downtown parking survey (2003-2008)

Member, African American Heritage Tourism Committee, Chattahoochee-Flint Regional Development Commission to identify historic sites and create a trail in West Georgia of the sites (2005-2008).

2007

FEMA-1603-DR-LA Hurricane Katrina, New Orleans, Louisiana

Display windows for Thomas B. Murphy birthday celebration, Annie Bell Weaver Special Collections, Ingram Library, State University of West Georgia.

Webpage for the Georgia Political Heritage Collection, Annie Bell Weaver Special Collections, Ingram Library, State University of West Georgia.

Inventory/Catalog the Civil Rights collection of James E. Allen, Townsend, Georgia.

Historic Preservation Committee of the Downtown Development Authority, coordinator Villa Rica Historic Plaque Program (2003-2007)

Brentwood Heights National Register District Nomination, Spartanburg, South Carolina (2006-ongoing)

2006

Printed Fabric Company, Carrollton, Georgia

Sorting and accessing a collection of fabrics, legal documents, plans, blueprints and other materials associated with a local mill which will become part of the Public History Center at West Georgia (2006-2007)

2005

Processing of United States Representative Bob Barr Collection, Georgia Political Heritage Collection, Annie Belle Weaver Special Collections, Sullivan Library, State University of West Georgia

2004

Principal Investigator, Parking Survey 2004, City of Villa Rica, Georgia

Consultant for Villa Rica Comprehensive plan section 4 and 9, Lynne Miller, Historic Preservation Planner, Chattahoochee-Flint Regional Development Center, Franklin, Georgia,
<http://www.villarica.org/PDFs/CompPlan/Section4HistoricResources.pdf> and
<http://www.villarica.org/PDFs/CompPlan/Section9Transportation.pdf>

Consultant for City of Villa Rica 2026 Comprehensive Plan (August 2005)

<http://www.dca.state.ga.us/development/planningqualitygrowth/programs/documents/VillaRicaCi.Old.pdf>

2003

Consulting City of Villa Rica, Georgia

“Train Station Park” plan, Main Street application historic preservation ordinances, parking survey, chair
Historic Preservation Committee, historic structure survey.

Preservation Assessment and Plan, Mitchell-Williams Farm, Villa Rica, Georgia

Martin Luther King, Junior National Historic Site, Atlanta, Georgia

Oral History Indexing of audio tapes and Fire Station No. 6 videos.

2002

Strawberry Plains, Tennessee Battlefield Preservation Plan.

2001

Survey, research, assessment and determination of effects on transportation projects throughout Georgia.

Various Section 106 reviews for permitting, licensing, and construction using Federal funds.

2000

Survey, research, assessment and determination of effects on transportation projects throughout Georgia.

Site survey for cell towers in eastern Tennessee.

Measured drawings and moving of historic corn crib in Maynardville, Tennessee.

Work on National Register Nominations for Morristown Cemetery, Morristown, Tennessee; Highway Patrol
Headquarters, Rockwood, Tennessee; and several others.

1999

Tennessee Historical Commission/National Park Service grants submitted for Speedwell Academy, Speedwell,
Tennessee; Rhea-Mims Hotel, Newport, Tennessee; and Monroe County Courthouse, Madisonville,
Tennessee.

TEA-21 Grants for City of Loudon for Orme-Wilson House, Loudon, Tennessee.

1998

M^cLeod Plantation, James Island, Charleston County, South Carolina (March 1998 to April 1998).

Supervised students at the College of Charleston with measured drawings of a slave cabin.

Preservation of Old Beaufort College Building, Beaufort, Beaufort County, South Carolina (November 1997 to
February 1998). History of the Building, building assessments, material analysis, measured drawing,
planning issues.

1997

Old Sheldon Church, Sheldon, Beaufort County, South Carolina (June 1997 to August 1997).

Cemetery preservation plan and restoration with hands-on examples of stone cleaning, repair, and
restoration. Contributed archaeological searches for unmarked graves.

1996

93 Broad Street, Charleston, Charleston County, South Carolina (August 1996).
Measured drawings of attached carriage house for section 106 compliance.

M^cLeod Plantation, James Island, Charleston County, South Carolina (June 1996).
Measured drawings of interior and exterior of the slave cabins.

78 East Bay Street, Charleston, Charleston County, South Carolina (June 1996).
Measured drawings of plan and two sections of the attic.

Isle of Hope Oral History Project, Savannah, Chatham County, Georgia (March 1996 to May 1996).
Participated in research and writing teams for a group project producing an oral history into a book.

Selected Archaeological Projects

2012

Eastern Extension of U.S. Highway 50 By-Pass, North Vernon, Jennings County, Indiana.
Phase I

Future site of La-Z-Boy Headquarters, Monroe, Monroe County, Michigan.
Phase I

Tennessee Highway 30 Widening and Relocation, Dayton, Rhea County, Tennessee
Phase I

ATEX Express Pipeline, Jennings County, Indiana.
Phase I

2008

Mississippi Development Authority, Hancock, Harrison, Jackson and Pear River Counties, Mississippi
Field Tech promoted to Crew Chief, Phase I surveys for grant applications funded through HUD.

Old Villa Rica Library/Clinic (9CL363), Villa Rica, Georgia
Phase I investigation to find pre-Library house foundation, site registration with Georgia Archaeological Site Files

SR 44 Widening, Greene, Putnam, and Jones Counties, Georgia
Phase I, photograph log, field book logs

2007-2008

Long Swamp (9CK1), Ball Ground, Georgia
Phase III data recovery

2000

Right of Way Department of Transportation surveys, various counties, Georgia
Phase I surveys

1998

Hunley Park Housing, Charleston Air Force Base, Charleston, Charleston County, South Carolina
Phase I.

1995

Wando Plantation, near Mount Pleasant, Charleston County, South Carolina
Phase II.

Cane Island (38Bu1294), Beaufort County, South Carolina
Phase II Test pits, excavation, and backhoe clearing.

Belfair, near Hilton Head, Beaufort County, South Carolina
Phase II Excavation.

Bull Point, Gardens Corner, Beaufort County, South Carolina
Phase II.

Fort Rucker, near Enterprise, Coffee and Dale Counties, Alabama
Phase I and II surface and shovel test survey, site defining.

Pinckney Colony Tract, near Beaufort, Beaufort County, South Carolina
Phase II.

M^cLeod Plantation (38Ch679-3, 38Ch679-2), James Island, Charleston County, South Carolina
Phase III Excavation and recording, testing in site 38Ch679-2.

1992

Unidentified Shipwreck, Ashley River, Charleston County, South Carolina
Excavation and recording.

1991

Dean Hall Plantation, DuPont Plant, Berkeley County, South Carolina
Phase II, Student Field Supervisor, College of Charleston Field School.

70 Nassau Street, Charleston, Charleston County, South Carolina
Salvage excavation and recording.

1990

Colonial Williamsburg Blacksmith Shop, Williamsburg, James City County, Virginia
Field school: Excavation, survey, mapping, artifact classification, field cleaning, test pits.

1989

Dill Plantation, Charleston, Charleston, Charleston County, South Carolina
Phase II Field work as part of class work.

Knowledge and Skills

Mapping	Measured Drawing	GIS and GPS/Trimble	Illustration/Drawing
Microsoft Office	Adobe Photoshop	InDesign	PC/Mac Platforms
Documentary Photography	35mm Photography	Digital Photography	Pinnacle Video editing

Awards, Fellowships, and Scholarships

Distinguished Service Medal, Sons of Confederate Veterans, Work on grave desecration and illegal grave goods removal at Yellow Dirt Cemetery, Heard County, Georgia (2012)

Distinguished Service Medal, Sons of Confederate Veterans, *Always Looking North: the Carroll County Confederate Monument* documentary video and brochure (2011)

Graduate Assistantship, Political Heritage Collection, Department of History, State University of West Georgia, Carrollton, Georgia (2007)
